CREDIT UNION
Community minded...just like you!

SPRING NEWSLETTER 2017

DIRECTOR PROFILE

Larry Wall is Lafleche Credit Union's newest director and was appointed to the board for a 1 year term at the re-organizational meeting in April. Larry resides in Hazenmore and is the General Manager of the Grassroots Co-op (merger of Hazenmore Co-op and Woodrow Co-op) for the past 14 years. Larry's spare time is spent enjoying time with his girlfriend Eleonor, fishing and working on small construction projects. He looks forward to serving the members of Lafleche Credit Union.

Lafleche Credit Union Board of Directors

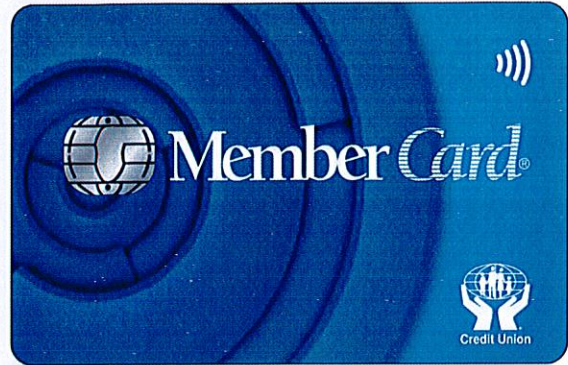

The Lafleche board is comprised of seven members. It is the legal body vested with the responsibility of establishing policy and direction of the credit union in accordance with the *Credit Union Act* and standard bylaws as set out by the general membership.

Much of the work of the board is accomplished through the work of committees. Each committee has an assigned function, and specializes in that area of operation, bringing forward recommendations to the board of directors for final decision.

Lafleche Credit Union holds annual planning sessions to review and develop our strategic direction to ensure our viability for the future. A position on the board can be very rewarding and satisfying as you help set policies and direction for the benefits of our members.

The new tap & go technology on your INTERAC Flash Debit Cards has many added benefits and features. It allows you to quickly pay for small purchases simply by tapping your card on a merchant payment terminal. Along with convenience there are some key points that you should know about the new INTERAC Flash Debit Cards.

- There is a single tap & go transaction limit of \$100, if over the \$100 you will be asked to insert your chip and enter your PIN.
- The daily tap & go transaction limit is \$200, if you go over the daily \$200 limit you will be asked to insert your chip and enter your PIN.
- Your card has a unique encrypted code that changes every time you use your card. Therefore, making it very hard for fraudsters to skim your card.
- Card fraud has dropped 25% since 2015 because of the introduction of the INTERAC Flash Debit Cards
- INTERAC Flash Debit Cards have a secure chip processing, which prevents copying and counterfeiting your card. Therefore you will no longer need to keep your card in card protectors.

It is important to notify Lafleche Credit Union at 306-472-5215 or 306-266-4821 if your card is lost or stolen. We will cancel your card and issue you a new one. Some other important security tips you can follow are:

- Choose a PIN that could not be easily detected if your card is lost or stolen.
- Make it a habit to regularly check your transactions, either online or come into the branch.
- Never give out your card number over the phone or internet unless you know it is a reputable company.
- Protect your PIN. Do not share it with anyone or write it down.
- Protect your card like you protect your cash. Never leave them unattended in your car.
- When travelling, carry your cards with you or make sure they are in a secure location.
