

Setup Mobile Web

1. Open Safari and go to www.laflechecu.com
2. Click on the Online Banking box in top right corner
3. On the login screen, locate and click on the green Mobile Web icon on the left side of the screen pictured here.

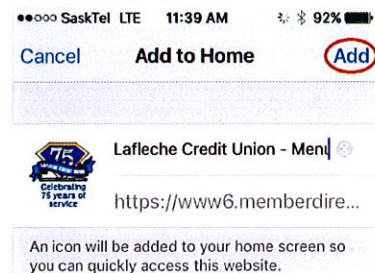

4. The MobileWeb version of online banking should now be open. At the bottom of the screen click on the middle button.

5. In the menu, locate and click the Add to Home Screen button.

6. This will open the Add to Home detail screen. Click Add. The Lafleche Credit Union icon will now appear on your home screen.

7. For faster login, you can setup memorized accounts. Just click on Memorized Accounts and follow the instructions to add your login ID (card number). Next time you login your card number will be appear & you will just need to enter your password.
