Have you considered the benefits of leasing equipment or grain storage?

Lafleche Credit Union has partnered with Calidon Equipment Leasing to offer leasing programs for all types of new or gently used farm equipment including grain bins purchased from a vendor. Talk to your accountant to see if leasing would be the right fit for your operation.

DID YOU KNOW THAT YOUR CREDIT UNION DEPOSITS ARE 100% GUARANTEED?

Chequing, savings, terms deposits (GICs), registered plans (RRSPs, RRIF'S, RESPs), Canadian equivalent of foreign currency accounts AND interest earned on those deposits are all guaranteed. There is no limit to the size of deposits covered by the guarantee, whether it be \$100 or \$1,000,000 or even more!

PROFIT SHARING DAY held at Glentworth & Lafleche Branches on June 20th ... it pays to be a member!

Lafleche CU's Board of Directors approved a patronage payment to members based on 2017 earnings. Just over **\$200,000** was returned to members in June! This was a **12% dividend** on deposit interest (non-registered) and **12% rebate** on loan and line of credit interest paid. If your payment was more than \$100 we have mailed you a cheque and if under the payment was credited to your account.
