

We believe in "Supporting Local"
and "We mean what we say"

In the past 13 years

We have given back to our communities we serve

In EXCESS of \$165,000.00!!

by way of cash donations/sponsorships and prizes.

We are able to achieve this because our communities support us.

Your continued support to LCU with ALL your financial needs will ensure
we in turn can continue to support your community.

Lafleche Credit Union is proud to recognize our member's
loyalty to us through our Patronage Payment Program
but you may wonder.....
