## HOLIDAY FRAUD PREVENTION

### You are busy during the holidays.

Fraudsters take advantage this time of the year, knowing you may not be paying as much attention. Make it a habit to check your accounts daily for any unauthorized transactions, and report anything suspicious right away. When shopping online, stick to websites you know and trust, and avoid too good to be true discounts and deals found in advertisements on social media. Never click on links in unsolicited text messages or emails, no matter who they claim to be from!

### Education is the key to preventing fraud.

Familiarize yourself with common scams and stay alert. If something seems suspicious, it likely is!

Merry Christmas

AND HAPPY NEW YEAR!

Wishing you a happy holiday season  
from the board, management and staff at  
Lafleche Credit Union.
