IT PAYS TO BE A MEMBER!

OVER \$700,000 BACK TO OUR MEMBERS!

What is patronage?

As a Credit Union, we are committed to giving back to the communities we serve.

Sharing our success with the people who make it possible is an important part of that! Patronage is our way of thanking you for doing business with us.

How does Patronage work?

Each year, the Board of Directors considers a patronage allocation based on our yearly financial performance. If a payment is declared, the calculation is based on deposit interest paid to you, as well as loan interest you have paid to us.

How is Patronage paid out?

Patronage is paid by direct deposit. The payment may be a combination of a cash payment (into your chequing or savings account) and a deposit into your equity account.

Lafleche Credit Union is proud to share our profits with our members, a perk you won't find at a bank!

It's simple - the more business you do at Lafleche Credit Union, the higher your patronage amount will be!

We are paying out a 20% dividend on 2024 deposit interest earned and loan interest paid.

LAFLECHE CREDIT UNION SCHOLARSHIP PROGRAM

Spring Cleaning Your Finances: Freshen Up Your Approach to Saving

Is your money doing the most for you?

You work hard, and so should your money! Follow the tips below to freshen up your finances this season by prioritizing your savings.

Maximize Your Savings

Look beyond a traditional savings account and open a Tax-Free Savings Account (TFSA). The interest you earn is tax-free, making this one of the best ways to save! Whether you are putting money aside to make a big purchase, travel, or building up your rainy day fund - a TFSA is a no brainer!

Pay Yourself First

Set up automatic transfers to your savings account, TFSA, RESP, or RRSP. By "paying yourself first," you prioritize putting your financial goals first! Talk to our staff about getting set up, it's quick and easy!

Welcome to the team!

Brittany Mitchell

Lending Trainee

Glentworth Branch

Hi, I am Brittany Mitchell. I was raised in Estevan, SK. and now reside south of Glentworth on my husband's family ranch. I have 5 years of previous banking experience working as a Customer Service Representative. I am looking forward to my new role as Lending Officer Trainee at the Glentworth branch. In my spare time I enjoy gardening, baking and caring for my animals.
