YEARLY DONATIONS

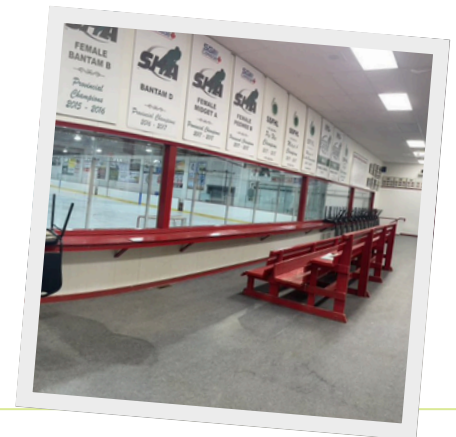

“ The Wood River Riding Club is the foundation of programs supporting youth as they grow as riders, competitors & community leaders. Because of partners like you, our young members continue to excel at 4-H, Little Britches, High School Rodeos & SBRA, often placing exceptionally well & proudly representing our community where they go. Your support helps us provide grounds, safe buildings & the opportunities these young athletes need to succeed. Thank you for believing in our youth riders & investing in the future of our community. ”

“ With the purchase of a newer 2016 Zamboni, we are able to upgrade to a machine that is 25 years newer! With this upgrade, we have a Zamboni that is more reliable as we were having more and more issues with the old one during busy times, almost had to buy new snow shovels to clean the ice for a backup plan! Without the generous support of our local community members and business, our facility would have a tough time keeping the doors open! Thank you once again Lafleche Credit Union! ”

“Phase one of our outdoor renovations is officially complete, and we are incredibly grateful to Lafleche Credit Union for helping make this milestone a reality. Your support allowed us to take the first big step toward creating a safer, more engaging, and developmentally rich outdoor environment where children can learn, grow, and thrive. We are excited to continue building on this momentum as we work toward future phases of our renovations.”

-Lafleche Early Learning & Childcare Centre Board

“Lafleche Credit Union’s \$50,000 donation has been the biggest contribution to our Glentworth ELCC project, and it has made a significant difference as we prepare to break ground in early 2026. Having child care in Glentworth will support our school, make it easier for families to be involved in our local sports and activities, and create new jobs. We’re grateful to have a local credit union that truly invests in our community.”
